This course is organized by the **European Dermatology Forum**

EURODERM EXCELLENCE 2024

21st Edition of Euroderm Excellence Training Program: a unique course offered to the best and brightest European residents in dermatology.

Participating in the Euroderm Excellence is a privilege. We aim to provide you with an outstanding teaching program covering up to date and practical knowledge in the different fields of dermato-venereology. Moreover, we want to offer the selected residents an opportunity to share time and experience with their peers from all over Europe, and to have a chance to interact with a panel of leading experts in dermatology and venereology.

For this year, the theme is “*Excellence in dermatological diagnostics, differential diagnostics and therapy*”.
